## EMERALD KNIGHT

In time for St. Patrick's Day, Bloomingdale's dressed its influential windows with color-coded displays featuring tableware in shades of green from the Julia Knight Collection.

### Spring Starts With Martha

It's official: Spring is here because Martha Stewart says so. Martha Stewart Living's April issue is for everyone, whether you're chasing dust bunnies or Easter bunnies.

### HENRY LINK TRAVELS THE GLOBE

Lexington is unveiling its Henry Link Trading Co. brand at this month's High Point Market. The collection is designed to "capture the excitement of traveling the globe," the company said. For more sneak peeks at High Point introductions, see page 44.

## Beautiful in Blue

Lalique's Winged Victory Of Samothrace, a limited edition of 83 crystal pieces, pays tribute to designer Yves Klein who would have been 83 years old in 2011. Klein acquired the molds for this iconic sculpture in 1962 from Greek antiquity, using revelatory blue to highlight the effervescent sensibility of its flesh.

## Elle Decor's Modern House

Elle Decor's "Designers to Watch" will partner with leading brands to create dazzling indoor and outdoor spaces at its Modern Life Concept House next month. All proceeds from ticket sales to view the building, at 540 West 28th Street, will benefit Housing Works. Visit [elledecor.com](http://elledecor.com) for ticket information.
